

## GRAYSVILLE HERITAGE RESOURCES Inventory

One of the objectives of the Carman/Dufferin Municipal Heritage Advisory Committee is to ensure that the heritage of small former communities across the rural municipality is preserved and suitably recognized. The following inventory of resources for the Graysville community is listed under various categories.

**Locating Records/Information Sources.** Most of the records and sources of information listed below are accessible to the public through local libraries, museums, or online services. Other records or copies of information may be available through private sources. The following abbreviations are used to designate location of information:

DHM - Dufferin Historical museum

BRL - Boyne Regional Library

PS - Private Source. For access to privately held records, please [contact us](#).
